Mr. Lux is an undergraduate B.Sc. student in Bio-Medical Engineering at Tel Aviv University who was placed on the Dean's list of excellence for the academic year of 2014-2015. Adar currently works in a research laboratory at Tel Aviv University's engineering faculty. Other than studying, Adar also participates for the second year in a row in the dean of students' service division's project "Walking together", where he accompanies 18 freshmen and freshwomen in their first semester while providing them with the appropriate tools for a successful university experience. In addition, Adar volunteers in IGY's organization for LGBT youth.
