the conscious teacher is about all kinds of strategies and techniques educators might employ to become more effective teachers in an accessible conversational style Deborah Nichols Poulos presents unique approaches to teaching that will inspire new and veteran teachers alike she begins with her personal story of not being able to read all through elementary school her early failures convinced her she was dumb at first she struggled but when she still failed she adopted an avoidance strategy that served her well until junior high an experience in the seventh grade flipped a switch and started her on a journey to becoming an outstanding student and later to applying the lessons she learned as a child to her own teaching what makes the conscious teacher unique are the inspirational lessons

that are unlike what most teachers get in their teacher education courses or student teaching ms nichols poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what and especially helpful are the steps ms nichols poulos employs to set up a behavior management plan that works she explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day she also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every minute and she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult foundational to her program are reading and writing among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies when she differentiated curriculum to support all students needs she found their learning accelerated all teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts and her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed shakespeare s hamlet macbeth king lear julius caesar and a midsummer night s dream she also shows how to integrate social studies with literature and writing her experiences taught her that young students are much more capable than many people realize the conscious teacher is an indispensable guide for all new teachers many of the ideas ms nichols poulos provides will also be an eye opener for parents and experienced teachers as well the conscious teacher is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling

presents the most recent theories research terms concepts ideas and histories on educational leadership and school administration as taught in preparation programs and practiced in schools and colleges today

this is a complex higher level thinking skill but children from a very early age can begin thinking about what they have just read and tell you what a story is about when children read they must turn their minds on and actively think about the meaning of what they are reading reading comprehension for 4th grade features helps to build skills for reading complex texts easy to follow directions and fun exercises motivate students to work on their own nice and large format for small hands 8 5 x 11 inches every activity in each book is correlated to state standards carefully designed for grade 4
